Increased Fees for Review of Accounts

When a fiduciary files an amended inventory or account prior to approval of the initial filing, there will be a \$30.00 fee for the amended filing.

When a Commissioner's review of an account requires exceptional time, the Commissioner may seek Court approval to increase his or her fees. The Commissioner's request for approval of an increased fee must be made in writing, and include his or her justification for requesting the increased fee. The Commissioner shall give notice of his request for Court approval to the fiduciary so that the fiduciary has an opportunity to be heard. When formulating a request for an increase of the fee, the Commissioner may take into consideration the following factors:

- 1. The amount of time spent by the Commissioner and his or her staff in reviewing the account and the vouchers, as affected by the number of vouchers and the quality, completeness and accuracy of preparation of the account.
- 2. The dollar value, number and nature of the assets in the estate, and the assets outside of the estate which impact on the distribution of the probate estate.
- 3. The amount of time spent by the Commissioner and his or her staff on research and rendering decisions on questions of law.
- 4. The complexity of the estate distribution scheme, including apportionment of taxes, funding bypass trusts and marital shares or trusts and computations of beneficiary shares, including elective shares, allowances and exemptions.
- 5. The necessity for the Commissioner to review tax returns or other documents.
- 6. The amount of time spent by the Commissioner and his or her staff addressing complaints of beneficiaries concerning the account.
- 7. Any other matters deemed relevant by the Commissioner.

Fees for Services Other Than Inventory/Account Reviews and Uncontested Debts and Demands Hearing

When the Commissioner of Accounts conducts contested hearings; or confers or corresponds with fiduciaries, beneficiaries, and/or creditors on matters not normally required to be addressed during the audit and approval of fiduciary inventories and accounts, the Commissioner may charge a fee based upon hours expended at a rate of \$250.00 per hour or such greater hourly rate set by the Circuit Court for the Commissioner of Accounts.

In the absence of unusual circumstances, when the Commissioner issues a report concerning the sale of real estate of an incapacitated adult or a minor, the Commissioner will limit his fee to \$275.00.

When the Commissioner of Accounts conducts a hearing to authorize a disbursement by the Guardian of a minor, the Commissioner shall not charge a fee in excess of \$100.00 (Virginia Code § 64.2-1802).

Reduction of Fees

In exceptional circumstances, the Commissioner may reduce any of the forgoing fees except Clerk's Fees.
